

Food & Wine Rave for Two

*Unleash your Inner Chef with Brookstreet's Food & Wine Rave
Ottawa's ultimate culinary experience*

Start your experience with our Sommelier and wine representatives for a tutored tasting of the evening's wines. Next, Chef Clifford Lyness and his team will join you in the dining room to establish teams and hand out aprons. You'll continue to Perspectives Restaurant's state-of-the-art kitchen, where you will feel the heat of the kitchen as you and your team prepare one of five courses. As you're enjoying fine cuisine with great music, your courses are paired with Canadian and international wines. The excitement continues with luxury accommodation and breakfast in bed or at Perspectives Restaurant the next morning. Secure, climate controlled underground parking is also included.
